EAL Buy As You Need Services

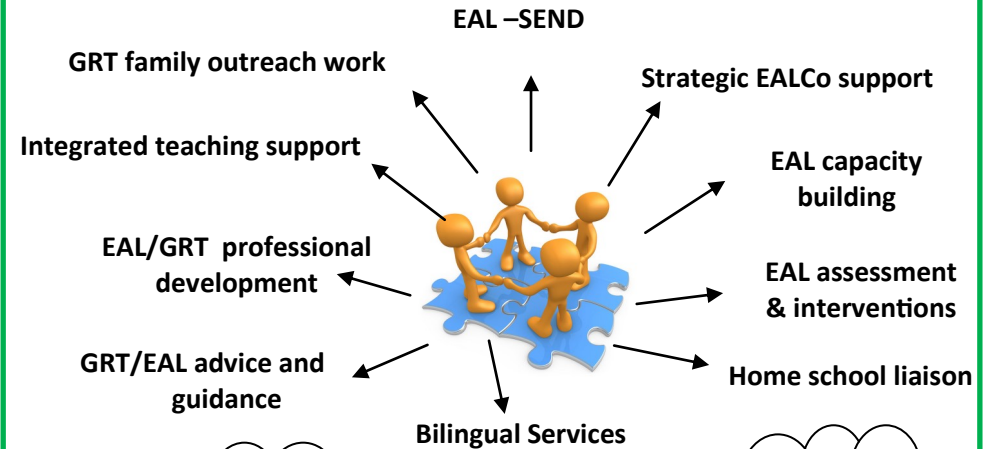

- EAL-SEND assessment and targeted intervention
- Multi-agency partnership work to address 'complex cases'
- Direct pupil support, whole school EAL audit, training courses and CPDs, e.g. EAL New Arrivals Assessment, EAL-SEND, Talking Partners, developing the role of EAL Coordinator, bespoke training packages, GCSE exams in first languages represented within the team, bilingual services and home – school liaison

GRT services: DSG funded for maintained primary schools, traded to academies & secondary schools

- Outreach work to families on local authority sites, private sites and unauthorised encampments with regard to education
- Integrated teaching support in collaboration with teaching staff including planning, delivery and evaluation
- Supporting the assessment of highly mobile short stay pupils
- Advising and supporting schools in their preparation and monitoring of distance learning packs
- Advice on cultural resources which can be purchased or produced
- GRT cultural awareness training
- Mentoring
- Termly multi-agency GRT Family Focus group meetings
- Assisting the engagement of other services with the GRT community

Ethnic Minority & Traveller Achievement Service EMTAS

What we can do to support

The support given to our Traveller children and their families is huge and so necessary for us

This training improved my understanding of how it feels for an EAL child.

I learnt that it is very important to have a structured EAL platform across the school.

Trainees & staff commented on the high quality of your presentation and the invaluable information and insight that you provided.
