

Important information - Your HR enhancement – 27 February 2023

The new look Your HR input access is now live!

The new look homepage has a simple to view and easy to navigate layout. There are no changes to the way Your HR is accessed and how the payroll input is entered on the system.

Guides and videos are still accessible should you require support.

If you have any issues accessing Your HR, please use this [guidance](#) and clear your browsing history in the first instance.

Please contact our Customer Service Team via the [HR & Payroll Portal](#), should you have any other queries or require any assistance.
