

Food Safety Training Level 2

£15.00 per candidate

Fast, efficient training for teachers, teaching assistants and other staff responsible for delivering the teaching of Cooking and Nutrition in Infant, Junior, Primary and Secondary Schools.

This on line training programme covers everything needed for anyone to safely work with food.

- **Introduction to food safety,**
- **Microbiological hazards,**
- **Food poisoning and it's control,**
- **Contamination hazards and controls,**
- **Hazard analysis critical control points from purchase to service,**
- **Personal hygiene,**
- **Food premise and equipment,**
- **Food pests and control,**
- **Cleaning and disinfection,**
- **Food safety and law enforcement.**

To complete the course all that is needed is a personal email address and computer access with an internet connection, which means it can be completed at work, or at home if this is more convenient.

The cost is £15 per person - £12 for the cost of the course and £3 which covers the cost of; set up, administration, monitoring the progress of the candidates and follow up to ensure completion.

For further information or to request training, please contact Janet Blythe, Training Manager at contactus@educaterers.co.uk
