Day-to-day activities limited a little	9,077	9.1%
Day-to-day activities not limited	83,961	83.9%

*Residents in the 2011 Census were asked to rate their own health on a scale of 'very good' to 'very bad' and level of disability by identifying the degree to which their activities were limited 'a lot', 'a little' or 'not limited'

Sexual Orientation

Sexual Orientation	Rate*		
All Persons 16+	82,285	1.50%	5%
No. who may identify as lesbian, gay or bisexual	1,234	4,114	5,760

*A number of household surveys have sought to provide estimates of the proportion of individuals who identify as lesbian, gay or bisexual. Recent ONS work produced a figure of 1.5% of the population. However, other surveys suggest higher rates. For this reason a range of rates are used based on current population data.

Key Messages

Age and Sex

A growing population....Rugby saw the highest levels of population growth between the 2001 and 2011 census; it grew by 14% compared with 7.8% across the county. It has the highest proportion on residents under 16 in the county but remains slightly under-represented by residents in their 20s.

As with elsewhere in the county, women account for a higher proportion of those aged 65+

Disability and Health

Levels of 'good' health and disability are in line with county average.....In Rugby borough, 83% of residents described their health as 'good' or 'very good'.

Similarly, levels of disability, as measured through the census, are very slightly lower than those experienced countywide but essentially in line with the average for Warwickshire.

Ethnicity, Country of birth, language and religion

More diversity than some parts of the county....in Rugby the 'White British' ethnic group accounted for 84.1% of the population in 2011. Rugby borough's next largest ethnic group is 'Other White' at 5.2% of residents followed by 'Indian' who make up 3.1% of the population.

In Rugby, just over 1 in 10 of the population are recorded as being born outside of the UK. This rate is above county levels but still just below the national average of 13.4%. The most prevalent non-UK country of birth in Rugby is Poland followed by India; Almost 40% of Warwickshire's residents who recorded their country of birth as Poland live in Rugby borough.

After English, the second main language spoken by residents is Polish. Other key languages include Gujarati, Nepalese, Slovak and Punjabi. Across the borough, 1,367 residents are recorded as not being able to speak English well or at all.

After Christian, the largest religious groups are Hindu followed by Muslim. Rugby borough is home to 40% of the county's Hindu population.
