## 'Sign Up'

Warwickshire's Education Strategy is driven by the County Council's [One Organisational Plan 2020](#). Consultation has told us that there is a shared moral imperative for us to do the best we can for all learners in Warwickshire.

The purpose of the Strategy is to:

- summarise our aspirations and priorities for education in Warwickshire
- explain how the Council will work with partners to achieve these
- bring together the work of different teams with partners so that services are more joined-up
- continue to improve education quality and learner outcomes at a time of financial challenge
- support innovation through creative and inspiring partnership working.

The following partners have signed up to the Strategy, which comprises a:

1. One page Strategy document
2. Delivery Plan and diagram of Boards responsible for implementation
3. Performance monitoring framework

Peter Kent, Headteacher at Lawrence Sheriff School and Chair of Warwickshire's Education Challenge Board says; 'I welcome the way in which education leaders have been placed at the heart of developing a school-led improvement system. It is exciting to see the way in which this document commits everyone in Warwickshire to work together to achieve an ambitious set of goals. Councillor Colin Hayfield, County Council Portfolio Holder for Education and Learning, says; 'We recognise that the world of education has changed in recent years and we believe that we are unique in co-producing this Education Strategy. We have heard from many parents, children and young people, education professionals and partner organisations. As a result we have completely redrafted the original Strategy. These contribute to the flourishing local economy. Education is essential to Warwickshire's continued economic growth and to sustaining our vibrant communities. We know, from our data and from listening to you, that there is more to do to. I am confident that, following your valuable input through the consultation, the final version of the Strategy identifies the right priorities and as we implement the Strategy, together we will make a positive difference to the lives of learners in Warwickshire.'

Simon Lomax, The Nuneaton Academy Principal, "The Warwickshire Education Strategy clearly sets out the importance of securing the very best for all young people in Warwickshire, recognising the challenges that young people face, and the importance of us all working together to remove these barriers to ensure successful futures for learners and our community. The strategy prioritises getting things right from the start, and then using the expertise we have in Warwickshire to learn from the best and prepare learners for employability. A clear, well thought out strategy, taking into account the views of our community; putting learners at the heart of all we do."
