“People recover from their alcohol and drug problems every day. You can, too.”

A free and confidential service, open to all those affected by **drugs** and **alcohol**, across Coventry and Warwickshire.

The Recovery Partnership is here for people across Coventry and Warwickshire. We're here for anyone affected by alcohol and drugs.

We're here for families. And we're here for you. If you have a problem, we can help. We will always listen and respect what you have to say.

About The Recovery Partnership

The Recovery Partnership provides drug and alcohol support across Coventry and Warwickshire. Unlocking individuals' full potential through Recovery is our ultimate ambition.

How we can help you?

The Recovery Partnership offers support in a variety of ways so that your needs will be met. All our services are free and confidential.

Our staff are non-judgmental, knowledgeable and are experienced at working with substance use.

We understand the impact alcohol and drugs have on families as well as individuals.

Contact your local service to see how we can support you and your family.

Equal Opportunities

We deliver a quality service to people regardless of their gender, race, sexuality, nationality, religious belief or disability. We do not discriminate and promote this important principle in all of our work.

What we offer

- drop-in advice and information
- telephone advice and information
- free and confidential needle exchange
- safer injecting guidance
- ear acupuncture
- blood borne virus screening and vaccination
- assessments
- one to one support
- group based support
- relapse prevention
- disabled access
- we can also put you in touch with other services who can help.

Confidentiality

We offer a confidential service. We will only share information with your consent or if there is serious risk or concern. You can find information about your rights and confidentiality in all of our services.
