Vouchers for small vans

Vouchers to use the Recycling Centres are available free of charge for Warwickshire residents, whose only means of transport is a car-derived van or pick-up with a gross vehicle weight of up to 2.2 tonnes (this information can usually be found on the V5C vehicle registration document).

Successful applicants will be granted six vouchers - entitling you to deliver household waste in your vehicle up to six times a year.

You will not be eligible for vouchers if you or other members of your household have access to a car in addition to a van or pick-up.

Vouchers for twin cab pick-ups

If your household's only vehicle is a twin cab pick-up, you may qualify for four vouchers a year.

You will not be eligible for vouchers if you or other members of your household have access to a car in addition to a twin cab pick-up.

Terms & conditions

- *Vouchers will not be issued for transit type vehicles or any vehicle which has a legal gross weight of over 3.5 tonnes*
