

Breakdown of offers for Reception entry to Warwickshire Schools September 2019

Data correct as at: 15th April 2019 but subject to change

A school might receive more applications than the number of places available (the Published Admission Number or PAN). If this happens for Community, Voluntary Controlled schools or Academies (where the school has adopted the Local Authority admissions arrangements), places will be allocated using the Local Authority's oversubscription criteria.

If a Voluntary Aided or Foundation school receives more applications than it has places available, the governing body for the school will allocate places according to that school's published admission criteria.

Only **on time** applications received have been processed for places offered on 16th April 2019. Late applications, and subsequent changes to applications, will be processed through the reallocation rounds which will start from 7th May 2019.

Warwickshire's 2019 entry over-subscription criteria for PRIMARY schools (**'WCC Cat'**)*

The following criteria have been used where schools have received more applications than there are places available, after children with an EHC Plan have been admitted first.

1. Children in the care of, or provided with accommodation by, a local authority, and children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order);
2. Children living in the priority area who will have a sibling at the school at the time of admission*;
3. Other children living in the priority area;
4. Children living outside the priority area who will have a sibling at the school at the time of admission;
5. Other children living outside the priority area

Please note:

- a) *Children with a Statement of Special Educational Needs or an Education, Health and Care (EHC) Plan that names a school will be admitted first. In this event the number of places that remain for allocation will be reduced.*
- b) *Children attending, or with a place at, a nursery class do not have a higher priority for - and are not guaranteed - a place at the attached primary school.*

- c) ** Time of admission relates to the time the applicant would start at the school – not the time of application or offer.*

Warwickshire's 2019 entry over-subscription criteria for INFANT schools ('WCC Cat')*

The following criteria have been used where schools have received more applications than there are places available, after children with an EHC Plan have been admitted first.

1. Children in the care of, or provided with accommodation by, a local authority and children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order);
2. Children living in the priority area who will have a sibling at the school at the time of admission*;
3. Children living in the priority area who will have a sibling at the partner junior school at the time of admission;
4. Other children living in the priority area;
5. Children living outside the priority area who will have a sibling at the school at the time of admission;
6. Children living outside the priority area who will have a sibling at the partner junior school at the time of admission;
7. Other children living outside the priority area

Please note:

- a) *Children with a Statement of Special Educational Needs or an Education, Health and Care (EHC) Plan that names a school will be admitted first. In this event the number of places that remain for allocation will be reduced.*
- b) *Children attending, or with a place at, a nursery class do not have a higher priority for - and are not guaranteed - a place at the attached infant school.*
- c) ** Time of admission relates to the time the applicant would start at the school – not the time of application or offer.*

Within each of the criteria, priority is given in order of straight line distance between the home address and school. The shortest distance has the highest priority. Distance will be

calculated by the straight line measurement from the applicant's home address to the centre point ("centroid") of the preferred school (all measurements are subject changes that may occur as a result of updated mapping data). This applies equally to those living inside and outside the County's boundary. A Schools priority area is as defined on the Warwickshire Admissions website.

Within each of the criteria outlined above, priority is given in order of straight line distance between the home address and school. The shortest distance has the highest priority. For more information on how distances are measured, please see www.warwickshire.gov.uk/admissions

If you live within Warwickshire Local Authority and we are unable to meet any of your preferences, we will allocate a place at the next nearest school with vacancies available, after all on time applicants have been considered.

The following data shows all junior schools in Warwickshire and the number of offers made for each for the 2019 entry year. Also provided is the number of places available at each school, for this year of entry, and confirmation of the criterion of the last offer made. Please note: this information is subject to change.

If you have named a school outside of Warwickshire, you will need to contact the relevant Local Authority, to discuss your application.

Breakdown of 2019 entry Reception school offers

Schools located in North Warwickshire	Places available	Offers made	Last Offer Made To
Arley Primary School	45	18	All applicants offered
Austrey C of E Primary School	15	10	All applicants offered
