1 INTRODUCTION.

The following document aims to provide guidance for parents/carers, young people and young adults on the Education Transport Policy adopted by Warwickshire County Council (“the local authority”) and approved by elected members. This document sets out Warwickshire’s Education Transport Policy and describes how the Council fulfils its duties and exercises its discretionary powers as required under the Education Act 1996 and subsequent legislation.

The purpose of this comprehensive guidance is to incorporate all education transport assistance into one key policy for pupils aged 3 to 25 years of age.

There is no universal entitlement to free travel for every child or student to and from any school. Parents and post-16 students are strongly advised to consider how pupils and students will get to an education establishment before applying for a place.

Support from the Local Authority (LA) for travel to and from education will not necessarily be in the form of a vehicle to transport a child. It may be by enabling the child to walk to and from education through Independent Travel Training where the child may otherwise not have been capable of doing so. This does not affect any statutory right to free transport.

Where there is no entitlement to support from the LA, parents and students can seek assistance from educational institutions which are able to use some of their own funds to support transport where they feel this is appropriate. Where support from Warwickshire is not free, it may not be the cheapest option for an individual to take up a vacant seat on the LA’s transport network and commercial options should be explored.

Parents have a legal duty and a responsibility to make necessary arrangements to ensure that their statutory aged children attend school regularly. The local authority is required to provide transport assistance to children resident within the administrative area of Warwickshire County Council who are entitled under the law and this policy.

Transport policy will often influence a parent’s decision when choosing a school but the two policies are not intrinsically linked.

The following policy will outline in detail the key aspects of applications received for consideration under the heading of Eligible Children, it aims to provide clarity and understanding of criteria for eligibility and the process when a child is refused free travel. The policy will also outline any discretionary arrangements for specified groups and will explain travel arrangements for non-eligible travellers.

The Policy contains supplementary information within the appendices attached. The content of these are updated regularly and are subject to change without consultation.

2 DEFINITIONS

2.1 Eligibility for travel assistance

To qualify for free home to school transport the pupil must meet all of the criteria listed below;

A	The pupil must be resident in Warwickshire
B	The pupil must be attending their nearest qualifying school (see section 2.3)
C	The pupil must be of compulsory school age. This includes all pupils from the start of the academic year in which they turn 5 until the end of the academic year in which they turn 16. Transport assistance is not provided to Nursery settings (exceptions to this rule are in section 3.3)
AND either D or E	
D	The pupil must live more than the statutory walking distance from their qualifying school (see section 2.4)
E	The pupil must be unable to walk to their qualifying school because of the route from home to school is deemed unsafe to walk (see section 3.4)

2.2 A **qualifying school** falls within one of the categories set out below:

- (a) a community, controlled, foundation or voluntary aided school
- (b) a community or foundation special school
- (c) a non-maintained special school
- (d) a pupil referral unit (PRU)
- (e) a free school
- (f) a maintained nursery school
- (g) a City Technology College (CTC), College, Career & Technology Academy (CCTA) or Academy
- (h) an independent school if named in a child's Statement of Special Educational Needs

2.3 The **nearest qualifying school** is a qualifying school with places available that provides education appropriate to the age, ability, and aptitude of the pupil, and takes into account any special educational needs that pupil may have.

This will normally be the school in whose priority area the student resides, or another school if closer to home by the shortest available walking route.

The calculation of nearest qualifying school for a pupil who has gained a place at a selective school will include non-selective comprehensive schools which provide schooling for those of all ability levels. As such

transport to selective schools will only be provided if it is the nearest qualifying school to the child's home, taking into account all relevant secondary schools.

The nearest qualifying school for a pupil attending a special school or specialist unit will be the nearest appropriate special school or unit that can meet their needs. Parents who choose a different school or unit will not qualify for transport assistance.

Where a special school or unit is named in the pupil's statement or EHCP because of parental preference, free transport will not normally be provided if it is not deemed to be the nearest school able to meet the pupil's needs.

- 2.4 The **statutory walking distance** is:
- (a) two miles for pupils under eight.
 - (b) two miles for pupils aged 8-16 from a low-income family (see 2.6).
 - (c) three miles for other pupils aged 8-16.

The measurement of the walking distance is not necessarily the shortest distance by road. It is measured by the shortest route along which a child, accompanied as necessary, may walk in reasonable safety. As such, the route measured may include footpaths, bridleways, and other pathways, as well as recognised roads.

Walking Distance will be measured from the home boundary to the nearest school gate. This may not be main school gate, but may be the closest access point.

- 2.5 **Motorised Routes** are those passable by using a suitable motorised vehicle. Paths and roads not passable by motorised transport will not therefore be considered. Measurements will be made by the Authority's Education Transport Office using Google Maps or other appropriate measurement system used by the Authority at that time.

Motorised routes will be used to calculate the distance from home to school when there is no qualifying school within statutory walking distance of the child's home.

- 2.6 **Low-income families**; pupils shall be considered to be from a low-income family if they are entitled to free school meals, or if a parent with whom they are ordinarily resident are in receipt of their maximum level of Working Tax Credit. Proof will be required.

For pupils granted free transport on the grounds of entitlement to free school meals, or their parent's receipt of the maximum level of Working Tax Credit, eligibility will need to be confirmed during each academic year.

Where pupils are granted free school meals on a non-statutory basis, or if parents are unable to prove they are in receipt of their maximum level of Working Tax Credit, the pupils shall not be considered to be from a low-income family for transport purposes.

3 ELIGIBLE PUPILS.

3.1 Background.

Under Section 508B Education Act 1996, the Authority must provide certain categories of pupils with free home school transport. The following groups of pupils are currently considered eligible for free transport.

Unless eligible under section 3.3 of this policy, pupils should be attending the nearest qualifying school to qualify for free transport (see section 2.2). Section 3 applies only to children of compulsory school age, and does not provide any entitlement to those aged under 5 or those who are 16 or over and are no longer of compulsory school age.

3.2 Pupils living outside Walking Distance

Statutory walking distance is a threshold which determines whether the responsibility for travel sits with the Council or with the child's parent. It does not mean that pupils must walk the distance. It is the responsibility of parents who live under the qualifying distance to decide how to get their child(ren) to and from school.

Free home to school transport assistance will be available to pupils attending their nearest qualifying school, where the distance from home to school by the shortest available walking route exceeds:

- (i) Two miles for pupils under the age of 8 years
- (ii) Three miles for pupils aged 8 – 16

Where a pupil qualifies for Home to School Transport under the age of 8 due to the distance being more than 2 miles but less than 3 miles, transport assistance will continue until the end of the academic year in which they turn 8 years old.

3.3 Pupils from low-income families:

Where a pupil is considered to be from a low-income family free Home to School Transport assistance will be provided:

- (a) To pupils aged 8-11, attending the nearest qualifying school, if more than two miles from their home by the shortest available walking route.
- (b) To pupils aged 11-16, attending one of their three nearest qualifying schools, provided it is more than two miles (by the shortest available walking route), but not more than six miles (by motorised route) from their home.

- (c) To pupils aged 11-16, attending the nearest qualifying school which accords with the parents' religion or belief, provided it is more than two miles (by the shortest available walking route), but not more than fifteen miles (by motorised route) from their home.

Where an application for transport is made on grounds of religion or belief, the Authority will require written evidence to support that application. It is the applicant's responsibility to provide this information. This may include written confirmation from third parties supporting the religion or belief claimed. Providing such evidence is no guarantee of free transport, as the final decision as to whether the application meets the criteria for being based on grounds of religion or belief will sit with the local authority.

3.4 Pupils unable to walk in safety to school because of the nature of the route.

Where pupils live within the statutory walking distance of the nearest qualifying school, and the pupil attends that school, the local authority may, in certain circumstances, be under a duty to make travel arrangements.

These include where the nature of the route is such that a pupil cannot reasonably be expected to walk, accompanied as necessary, in reasonable safety. (See 'Accompaniment' Appendix B & section 3.14), and no alternative suitable route of under statutory walking distance exists.

The Council has a detailed policy for carrying out route assessments. Further information is provided in Appendix A.

Where a parent believes that the route from home to school is not safe they can request that the route is assessed. The route will then be assessed by the local authority if, it has not been assessed in the last 3 years or if the parent provides evidence that circumstances on the route have changed since the last assessment. Parents will need to complete the request form which can be obtained from the Education Transport department directly, please use the contact details in section 12.

3.5 Pupils with a statement of special needs or an Education Health & Care Plan (EHCP)

Entitlement to free school transport for a pupil with special educational needs and/or a disability who has a Statement of Special Educational Needs or Education Health & Care Plan is based on the following:

- **The pupil is a Warwickshire resident**
- **The pupil holds a statement of special educational needs, an Education Health & Care Plan (EHCP) or is accessing a placement for continuous assessment such as;**
 - A designated speech and language unit
 - A specialist nursery

- **The pupil is attending the nearest qualifying school**

The **nearest qualifying school** is a qualifying school that provides education appropriate to the age, ability, and aptitude of the pupil, and taking into account any special educational needs that pupil may have. For most children this is likely to be their nearest mainstream school.

In the case of a pupil whose needs cannot be met in mainstream but which can be met in a generic Warwickshire special school, this is likely to be the school which serves that area of the County. Further details are available in Appendix C (this will be updated annually or as and when required). It could also be another school if closer to home by the shortest available walking route.

If the child's needs cannot be met in either mainstream or in a generic special school, the nearest qualifying school would depend on the specific requirements of the pupil. This could be a specialist special school, satellite provision or resourced provision within mainstream schools (please see Appendix C for full details), or provision made through the Flexible Learning Team as written into the child's Education Health and Care Plan (EHCP).

Where a parent chooses to send their pupil to a more distant school or specialist provider, even though the nearest qualifying school is able to meet the pupil's needs, they assume responsibility for the provision of transport and any associated costs. Such circumstances will be noted on the Statement of Special Educational Needs or Education Health & Care Plan (EHCP).

The type of transport assistance offered may vary depending on the pupil's individual needs. Independent Travel Training will be considered an appropriate form of assistance where the pupil has been assessed as being suitable (see sections 5.1/5.3). Refusal to engage in the training may result in no further transport assistance being offered.

- **The distance from the pupil's home address to the nearest qualifying school must be more than;**

- Two miles for those accessing a mainstream school who are aged under 8 years or who receive free school meals
- Three miles for those accessing a mainstream school who are aged over 8 years
- There is currently no mileage criteria for those attending a special school

3.6 **Pupils with special educational needs attending a specialist Nursery**

Free transport will be provided to children in early years where:

- They are resident in Warwickshire;

- The pupil is attending the nearest appropriate specialist nursery provision and has a place confirmed by IDS (Integrated Disability Service); and
- The pupil is aged 3 or 4 years old

3.7 **Children Looked After**

Children who have been placed with foster carers may be entitled to transport assistance beyond that available within this policy, subject to criteria set by Warwickshire County Council. Foster carers should approach their allocated social worker to discuss eligibility and to apply for any such additional assistance.

3.8 **Children Looked After with special educational needs (SEN)**

Children looked after with a statement of special needs or an EHCP will qualify for free transport through the SEN policy, provided they meet the criteria specified in section 3.5.

3.9 **Managed Moves**

Pupils placed by the Local Authority into a school as a managed move may qualify for transport assistance. This would normally be funded by the Area Behaviour Partnership (ABP) and will depend on the circumstances of the case.

3.10 **Fair Access Protocol (FAP)**

Where a pupil has been placed at a school by the Local Authority under the FAP, they may receive transport to facilitate their attendance, should it be considered necessary to do so.

3.11 **Pupils unable to walk to school by reason of their temporary disability or medical needs**

Where a pupil (up to 19 years of age) has either short or long-term medical needs, which prevent them from walking to school, transport assistance will be considered.

Parents should apply using the 'Transport Assistance for Pupils on Medical Grounds' application forms. These can be found at <http://www.warwickshire.gov.uk/educationmedicaltransport>.

A pupil will be eligible for free home to school transport, if they attend their nearest qualifying school (or nearest sixth form/college offering the course for post 16 students) and if they cannot reasonably be expected to walk to that school/college because of their disability or mobility problems.

Evidence of any conditions or difficulties will be required from relevant professionals. Applications under this criterion must evidence that the

pupil's disability prevents him or her from walking the statutory walking distance to school, even if accompanied by a responsible adult.

Eligibility will be assessed using the information provided on the application form. Parents / carers will be responsible for providing supporting evidence and it may be necessary to seek guidance from relevant professional agencies. Evidence may be a letter from a paediatrician or a consultant psychologist, for example.

Should transport assistance be agreed, it will normally be on a time-limited basis. For example transport assistance for those with short term medical problems would be agreed for up to 8 weeks, subject to review at the end of the period if necessary. Long term medical conditions would normally be agreed for the academic year, with a new application required for the following academic year.

If the pupil has a Statement of Special Educational Needs or an EHCP they will qualify for free transport based on the criteria listed in section 3.5. They should not apply for transport assistance using the 'Medical Grounds' application form.

3.12 Pupils Educated Outside of Year Group/Deferment

Occasionally, pupils may be placed in a year group below their chronological year group assumed by their date of birth. Deferred entry to school would also mean that a pupil is educated outside of their normal year group.

Pupils who are legally entitled to free transport assistance would continue to receive assistance until the end of the academic year in which they reach the age of 16. Transport assistance after this time would depend on the Post-16 policy and become chargeable, further details of which can be found in section 10 of this policy.

3.13 Disabled parents

The Authority will take account of any disability which the pupil's parent / carer may have and which may affect their ability to accompany the pupil along a walking route to school.

Parents / carers will be responsible for providing supporting evidence and it may be necessary to seek guidance from relevant professional agencies. Production of evidence is no guarantee of free transport and each case will be assessed on an individual basis.

3.14 Accompaniment

It is the responsibility of those with parental responsibility to make suitable arrangements to ensure that their child is accompanied on walking routes to school, if it is considered by the parents that the child's age, ability and levels of understanding make this necessary. The Authority will therefore not provide transport solely because parents have not made such arrangements, unless exceptional circumstances

apply. Such circumstances may include where disability means that no parent is available to accompany the pupil along a walking route to school. In circumstances such as this, parents will be responsible for providing supporting evidence and it may be necessary to seek guidance for relevant professional agencies.

Production of evidence is no guarantee of free transport and each case will be assessed on an individual basis. It is the general position of Authority that parents are expected to manage ensuring that their children are accompanied to school alongside any work commitments that they may have. Details on the law can be found in Appendix B.

4 GENERAL PRINCIPLES APPLYING TO TRANSPORT PROVISION UNDER THIS POLICY FOR THOSE OF COMPULSORY SCHOOL AGE.

4.1 Eligibility.

The Education Transport section will establish eligibility for free transport. This will take place on application once places at schools have been allocated, and accepted by the parents.

Warwickshire County Council only provides free home to school transport to Warwickshire residents. However, non-Warwickshire residents may apply for transport assistance under the Council's Vacant Seats Scheme. (See section 8.2).

By law, a pupil is not entitled to free transport until he / she reaches statutory school age (at the beginning of the first term to start after the child's fifth birthday). Since Warwickshire's policy is to admit pupils from the start of the academic year in which they become five, transport provision will normally be made from the time of their admission. Transport assistance will not be provided before this time except in accordance with section 3.6.

Parents have the opportunity to express a preference for the pupil to attend any school. However, when pupils do not attend the nearest qualifying school, there is no requirement to provide transport, unless eligible under a relevant section of this policy.

If parents have been unable to secure a place for the pupil at the nearest qualifying school, free transport assistance will normally be provided to the next nearest qualifying school if this is above the statutory walking distance.

However, where the pupil initially attends the nearest qualifying school, and then transfers to another school, free transport will only be provided if the new school is considered the nearest qualifying at the time of application and the journey from home to school is over the statutory walking distance. If the school being applied for is further away than the child's initial setting then it is unlikely that transport assistance would be

provided, unless evidence exists to confirm that the child's initial setting is not a suitable school for them.

The route used for determining eligibility for free transport will be that which is the nearest available to a child, accompanied as necessary, to walk along with reasonable safety to school. (See 2.3 / 3.4)

4.2 Divorced / Separated Parents

Where parents are divorced or separated and the pupil spends time living with each parent at different addresses, eligibility for free transport will depend on the nearest qualifying school (see section 2.3 for definition) for each of the parent's addresses.

If the nearest qualifying school is the same school from both parent's addresses, then free transport will normally be provided from each address (dependent on the usual eligibility criteria).

However, where the chosen school is only deemed to be the nearest qualifying from one parent's address, transport would only be provided from this address (subject to the normal eligibility criteria).

A vacant seat may be purchased to facilitate travel from the alternative address provided a seat is available (see section 8.2 for further details).

4.3 Review of Entitlement (for pupils with a Statement of SEN or an EHCP)

The pupil's entitlement to free transport will be considered following each annual review of their Statement or EHCP, and should be discussed at each annual review meeting for children currently in receipt of transport assistance. The outcome of these reviews will include whether the pupil still qualifies for free transport assistance, if transport needs to continue and if so, what provision is most appropriate. Options for independent travel, and independent travel training, will be explored where possible.

4.4 Withdrawal of Transport.

All Warwickshire County Council services are reviewed on a regular basis.

The local authority reserves the right to withdraw free transport if a pupil ceases to be eligible, or if it is discovered that transport has been granted in error. One term's notice will be given. Where it is established that parents have fraudulently applied for transport the Local Authority reserves the right to withdraw free transport immediately and to recoup the costs of transport provided to date.

Occasionally, the local authority may decide that a service is no longer financially viable. This is normally when few or no entitled students are travelling. In these cases, all passengers will be given a minimum of one term's notice. Any eligible students will be accommodated on alternative

provision whilst vacant seat / post 16 students will be required to make their own arrangements.

4.5 Behaviour

Warwickshire County Council expects all pupils to behave in a considerate way when travelling on transport either provided, or arranged by the local authority.

Further details on the standard of behaviour expected can be found on the application form for transport assistance. Parents / Carers, and students of secondary school age will be required to accept the relevant Terms and Conditions of Travel.

The Authority reserves the right to withdraw a pupil's entitlement to free home school transport without notice if a pupil misbehaves whilst on transport provided under this policy.

For serious breaches of the Terms and Conditions of Travel, the Authority reserves the right to permanently withdraw transport. Parents will then be responsible for transporting the pupil to school, and a direct travel payment may be paid (see 5.2).

4.6 Parent's Responsibilities

Parents are responsible for ensuring that the pupil reaches the pick-up point and that they board the vehicle safely. They should also ensure that the pupil is aware of the need to fasten their safety belt (where provided) and to not move around the vehicle during the journey.

Parents should also ensure that a responsible adult is there to meet the pupil at the drop-off point at the end of the school day, or that the pupil is able to make their way home by other means.

If a pupil's parents are not at home when they are brought home / to a drop-off point, any additional costs, e.g. waiting time, extra mileage, will be met by the parents. In such circumstances, it may be necessary to take the pupil to the local police station, and / or seek guidance from social services. In the case of repeat incidents, the local authority reserves the right to withdraw / amend the transport provision. A direct travel payment may be offered in lieu of free transport (see 5.2).

5 PROVISION OF TRANSPORT FOR THOSE OF COMPULSORY SCHOOL AGE.

5.1 Transport Arrangements

Transport assistance provided may include (but is not limited to) dedicated school bus services, public buses, specialist vehicles, or an appropriate combination. Direct travel payments may be provided, with parental agreement, under the scheme in section 5.2.

Independent travel training (section 5.3) is offered to pupils with SEN who have been assessed, by a professional advisor, as being suitable. Pupils will be expected to participate unless they have been assessed, by a professional advisor, as being unlikely to benefit from such training. Refusal to participate in the travel training programme will be deemed as declining the Council's offer of travel assistance and no alternative assistance will be provided.

Transport arrangements will be made by the Transport Operations department within the local authority's Communities Group to ensure the most effective and efficient use of resources. The offer will be the most cost effective from a range of options and will be offered based on an individual consideration of the safety of the pupil. The Council reserves the right to change the offer at any point during the year if necessary.

Free transport will be provided for one return journey per day, for arrival at school prior to the beginning of the normal school day, and departure from school after the end of the normal school day between home and school provided that the pupil is considered eligible for free transport.

No transport assistance will be offered to enable children to attend wrap-around provision, breakfast clubs, extra-curricular activities or any other provision which exists outside of normal school hours. Similarly no transport will be provided to any site other than the school's main campus. No transport assistance will be provided to college day release programmes, work experience or other school sites.

Eligibility for travel assistance will be reviewed annually or when there is a change in circumstances. For pupils with a statement of special educational needs or an EHCP, this will be done following the annual review of the statement or EHCP. Any changes will be implemented from the start of the next school term or sooner if mutually agreeable.

Costs incurred by parents will not be reimbursed unless an application has been rejected in error.

On occasions, it may be necessary to transfer pupils to an alternative service. While as much notice as possible will be given, the safety of passengers may necessitate changes at short-notice.

Pupils will be expected to make their own way, accompanied as necessary, to a pick up point which is within one mile of the home address, except where for reasons related mobility or special educational needs this is not practical.

As a general rule, no pupil should be on a vehicle for longer than 75 minutes one way, if aged 11 or over, or 45 minutes if under the age of 11. This will not however be possible in all circumstances, and the local authority reserves the right to offer transport assistance with longer journey times if this is unavoidable.

Passenger assistants are normally provided on vehicles transporting primary-aged students and those with a statement of special educational needs or an EHCP.

Where it is necessary for a passenger assistant to be provided for a particular contract, the operator will ensure the presence of an assistant who is familiar with the operation of any equipment e.g. safety belts and harnesses, and will ensure their proper use.

The Council's policy is that all vehicles transporting pupils to primary school should be fitted with seatbelts. All transport assistance provided under arrangements made by the local authority will be in accordance with legal requirements.

Provided that the additional cost is not excessive, when letting contracts to transport pupils to secondary school, preference will be given to tenders that will provide transport fitted with seat belts.

If parents make any changes to transport arrangements, e.g. by contacting an operator directly, no additional costs will be met by the local authority, unless by prior agreement with Education Transport.

5.2 Direct Travel Payments

Where transport does not currently operate, in the first instance, parents may be given the opportunity to convey the pupil themselves or to make their own arrangements and to receive a direct travel payment (DTP). DTPs will not be provided unless agreed by the pupil's parents.

DTPs will be calculated based on two return journeys from home to school per day and is paid half-termly in advance. The amount paid per mile is reviewed annually. Parents will be informed of the current rate at the time of application.

Enhanced rate direct travel payments may be agreed in exceptional circumstances.

Direct travel payments will only be given when financially viable and when no existing transport is in place. Should a more cost effective method of transport become available, the Local Authority reserves the right to withdraw the DTP. Should a parent decide they can no longer accept a DTP, they must give at least 14 days' notice*.

DTP payments are subject to audit, and the local authority reserves the right in all cases to demand to see evidence that payments made have been spent solely on transporting the pupil to and from school. Should evidence exist that payments have been used for other purposes then the local authority would immediately terminate the arrangements and begin proceedings to recover the amounts in question.

If, due to periods of absence or otherwise, not all of the amounts paid to a parent have been necessary for the purposes of funding home to school transport, the local authority reserves the right to reduce future payments or to demand repayment of unused amounts. The local authority also reserves the right to gain access to a child's attendance register record in order to check levels of attendance, and to speak with school staff and others in order to gain information about a child's home-to-school travel arrangements.

*Full terms and conditions can be found on our website:
<http://www.warwickshire.gov.uk/direct-travel-payments>

5.3 Independent Travel Training (for pupils with SEN)

Where appropriate, the local authority will identify pupils suitable for travel training to encourage independent travel. Upon completion of training, it will generally be expected that pupils will use more sustainable modes of transport to get to/from school (such as school/public buses or walk) in place of specialist transport. The local authority will make arrangements accordingly, taking into account an assessment of the pupil's abilities and on-going needs. For more information about travel training, please contact Education Transport using the contact details in Section 12.

5.4 Ad-hoc/Emergency Travel Provision (for pupils with SEN)

When a request for an emergency change to transport is made, supporting information may be requested from third parties (such as contract operators or schools) before a decision can be reached.

These arrangements will normally be time-limited; the end date will be communicated to parents at the time of agreement.

Requests will be taken to Moderation (a meeting of SEN Officers to discuss complex cases and transport requests) by officers from Education Transport for consideration. Transport may be arranged for up to 5 working days in the interim period.

6 HOW TO APPLY FOR TRANSPORT FOR THOSE OF COMPULSORY SCHOOL AGE.

6.1 The Application Process.

Parents / Carers should complete the 'Application for Transport Assistance for Pupils of Statutory School Age (Up to 16 years)' form. This can be found online at <http://www.warwickshire.gov.uk/transporthelpunder16> or by contacting the Education Transport department directly (see section 12).

For pupils with a statement or EHC Plan the 'Application for Home to School Travel Assistance for Pupils with Special Educational Needs & Disabilities (SEND)' should be completed. This can be found online at

<http://www.warwickshire.gov.uk/travelhelpunder16> or by contacting SENDAR (see section 12).

Submission of the application form is taken as agreement to the conditions of travel.

If the form is not fully completed, it will not be possible to process the application, and the form will be returned.

If the application is based on the grounds of religion or belief, or to a school which is not the nearest qualifying establishment, parents should supply as much information as possible. The Authority will require written evidence to support applications for transport made on religious grounds.

Further information may be requested by the Education Transport department if considered necessary to correctly assess the application.

All applications will be processed as quickly as possible. However, no travel costs incurred whilst waiting for a decision on Home to School Transport will be reimbursed.

Completed Application Forms should be sent to the Education Transport Department or to SENDAR for those with a statement or EHC Plan. Contact Details can be found in section 12.

6.2 Replacement Passes.

If a pass has been lost, stolen, damaged or confiscated, it needs to be replaced. Pupils who attempt to board a service without a valid bus pass may be refused access to transport, or may be required to pay a daily fare (where possible).

The replacement pass fee will also apply to any instance where a pass needs to be reprinted (for example a change of name, an elected change to a bus route / pick up point etc)

Any costs incurred whilst waiting for a replacement pass are non-refundable.

A new pass will be issued upon payment of the appropriate administration fee. This fee is currently £10, but is subject to revision should administration costs change. Passes are issued as quickly as possible, after payment has been received.

The replacement pass fee is payable in all cases where a pass is to be reprinted. (This includes requests to change services, change of name etc.)

Payment, along with a completed Replacement Pass Application Form, should be sent to the Education Transport office at the address shown in

section 12. Alternatively passes may be ordered and paid for over the phone with a credit/debit card.

For replacement commercial passes (such as Stagecoach), a higher administration fee will apply. These prices are set by the individual company and are subject to change at any point.

6.3 Temporary Passes.

Some schools operate a temporary pass scheme which may be available if a pupil loses a pass during the school day. These passes allow the pupil to travel home from school and from home to school the following day. Along with the temporary pass, pupils will be issued with a replacement pass form. This needs to be returned to the school the following day along with the appropriate payment. The school will then issue pupils with a further temporary pass, valid for a fixed period, and will send the replacement pass form to the Education Transport section. A new pass will then be issued.

Not all schools operate a temporary pass scheme and pupils / parents should contact schools directly for further details.

7 APPEALS.

7.1 Introduction.

A parent who applies for free home to school transport under this policy, and who is refused any such assistance, has the right of appeal. The Strategic Director for the Communities Group or officers nominated by him/her have via the appeals process the power to authorise the provision of free or assisted transport and / or waive any charges in whole or in part in exceptional circumstances.

Parents are able to appeal to challenge the local authority's decision about the following:

- The transport arrangements offered;
- Their child's eligibility;
- The distance measurement in relation to statutory walking distances; and
- The safety of the route

For any other issues not set out above, please follow the local authority's complaints procedure which can be found on the website by visiting <http://www.warwickshire.gov.uk/councilcomplaints>

7.2 How to Appeal.

Stage one: Review by a senior officer

Parents must submit their request for a review of the decision to refuse transport assistance by completing the 'Appeal Request Form' (available online or through Education Transport - see section 12).

This should be sent to the Lead Officer for Education Transport (either by email or post) within 20 working days from receipt of the decision. Please note that the decision will be deemed served 2 working days from the date of posting, if sent by first class post, or on the day if sent via email. Appeal requests received outside of this timeframe will be rejected.

The written request should detail why the parent believes the decision should be reviewed and give details of any personal and/or family circumstances that the parent believes should be considered when the decision is reviewed, as well as providing any relevant evidence

Consideration will be given to the views of the parent, the student and those of Headteachers and other professionals/agencies as provided by the parent or consulted as part of this process (where relevant).

Within 20 working days of receipt of the parent's written request the Lead Officer for Education Transport (or another senior officer in their absence) will review the original decision and send the parent a detailed written notification of the outcome of the review.

Please note stage one appeals for students with a statement or EHCP will be considered by a moderation panel and the outcome conveyed to parents in accordance with the timescales above.

Stage two: Review by an independent appeal panel

Parents have 20 working days from receipt of the local authority's stage one written decision to make a written request to escalate the matter to stage two. As stated above, the decision will be deemed served 2 working days from the date of posting if sent by first class post, or on the day of sending if sent via email. Appeal requests received outside of this timeframe will be rejected.

Within 40 working days of receipt of the request, an independent appeal panel considers written and verbal representations from both the parent and officers involved in the case (including all past correspondence in relation to the stage 1 appeal) and gives detailed written notification of the outcome including the information considered and the rationale behind the decision (within 5 working days of the review meeting)

The members of the panel will be independent of the original decision making process but are not required to be independent of the local authority. They will be suitably trained to ensure a balance is achieved between meeting the needs of the parents and the duties and responsibilities of the local authority, and that road safety requirements are complied with so that no child is placed at unnecessary risk.

Once the date of the meeting is set, parents will be given a deadline for the submission of any supporting evidence. Late evidence submitted

may mean that the meeting has to be adjourned to enable the panel to consider it.

Successful Appeals

If an appeal for transport is successful at either stage, and a decision is taken to provide transport as an exception to the home to school transport policy, the decision will only apply to the student in question. Transport applications for siblings, or any existing transport arrangements for siblings will be assessed in line with the relevant sections of this policy.

Unsuccessful Stage Two Appeals

Where a parent believes the local authority has failed to comply with the procedural rules or if there are any other irregularities in the way the appeal was handled they have the right to complain to the Local Government Ombudsman. If a parent considers the decision of the independent panel to be flawed on public law grounds namely illegality, irrationality and procedural impropriety, they may apply for judicial review.

Parents of students with special educational needs who require support for this process are advised to contact SENDIAS (Special Educational Needs & Disability Information, Advice and Support) for assistance. Contact details can be found in section 12.

8 TRAVEL ARRANGEMENTS FOR NON-ELIGIBLE CHILDREN OF COMPULSORY SCHOOL AGE

8.1 Introduction

The local authority has discretion to make travel arrangements for pupils who do not meet the criteria for free transport.

For those pupils, Warwickshire County Council operates a Vacant Seats Scheme.

If, after entitled pupils have been accommodated, spare places still exist on contracted vehicles, these may be offered to pupils in exchange for a contribution towards transport costs.

8.2 Vacant Seats

Vacant Seats will be allocated to pupils based on the categories below. The categories are listed in order of priority (highest first):

1) Pupils who have travelled on the bus service they are applying for in the previous academic term.

2) Warwickshire residents who have not previously travelled under the Vacant Seats Scheme, or who are applying for a different service

3) Non-Warwickshire residents who have not previously travelled under the Vacant Seats Scheme, or who are applying for a different service

Vacant Seats will be allocated subject to the following conditions:

- 1) A pass will be withdrawn if;
 - The place is required for an entitled traveller,
 - the service is withdrawn, or
 - the route is altered

One term's notice will be given, except for pupils travelling by taxi, where a minimum of one week's notice will be given.

2) Where a pass is withdrawn after payment has been made, a refund will be made based on the number of days travelled.

3) Vacant Seat passes are not available on public transport services.

4) Vacant Seats for pupils can only be allocated once all entitled travellers have been accommodated. Parents should therefore make alternative arrangements until they have received confirmation that a Vacant Seat is available.

5) A parental contribution is required for the Vacant Seats Scheme. If the contribution is not received, pupils will not be able to travel.

6) Vacant seats are not available to pupils over the age of 16.

7) Passes can only be used at the start and end of a school day at normal school hours. Timetables are normally supplied with bus passes but are also available on our website; <http://www.warwickshire.gov.uk/schoolbustimetables>.

8) Vehicles will not be re-routed to accommodate pupils under the Vacant Seats scheme, nor will extra/larger vehicles be provided to increase the availability of Vacant Seats.

8.3 **How to Apply.**

Parents / Carers should complete the 'Application for a Vacant Seat' form, and return it to the Education Transport office. Address details can be found in section 12, and on the application form. The application form is also available online;

<http://www.warwickshire.gov.uk/vacantseatscheme>

Full details of the terms and conditions of the Vacant Seats Scheme are included as an appendix to the application form, including details of the cost for the current academic year.

Warwickshire County Council's Cabinet agreed in October 2015 that the charges associated with the Vacant Seats scheme will increase each year based on the Council's annual income inflation rate.

As Vacant Seats can only be issued once all entitled travellers have been accommodated, it is often not possible to issue a Vacant Seat until after the start of the academic year. Parents will be therefore responsible for arranging interim transport to and from school and for any costs incurred. These will not be reimbursed.

9 RESPITE/FAMILY LINK TRANSPORT.

Warwickshire County Council may also provide transport assistance to pupils with a statement of SEN or an EHCP accessing respite care, to travel between school and the respite setting. This support will only be available to pupils who are 'Eligible Pupils' within section 3.5 above as well as post 16 students who access transport assistance through section 11 .

Applications should be made using the 'Application for Transport Assistance for Students Accessing Respite Care' form.

For further details of the assistance available and to obtain the application form, please contact the Education Transport office. Contact details can be found in section 12.

10 TRANSPORT SUPPORT FOR STUDENTS AGED 16-19.

10.1 Introduction.

The law requires all young people in England to continue in education or training until at least their 18th birthday. Raising the Participation Age (RPA) does not mean that young people must stay in school and they will be able to participate through three options.

- Full-time education (540 hours per year) – whether at a school, college or otherwise.
- Work based learning such as an apprenticeship.
- Part-time education or training if they are employed, self-employed or volunteering for more than 20 hours a week.

Free transport will not be available to young people over the age of 16 continuing in education or training but Warwickshire is well served by a public transport network and the Council also provides a number of dedicated services to schools and colleges.

Warwickshire County Council provides transport assistance to certain students aged 16-19, subject to the eligibility criteria below.

10.2 Eligibility.

Support with transport is available to students who are aged over compulsory school age but under 19 on the 31st August prior to the commencement of the course. This is dependent on an appropriate service operating.

Where there is no suitable transport, Warwickshire parents/students may be entitled to claim direct travel payments (see 10.3)

Students should apply for transport assistance during the summer term prior to the commencement of their course. Students will receive full reimbursement of payments made should their plans change prior to starting their course. Students applying after the end of July may not receive a pass before the start of term.

If a student wishes to attend a Further Education institution outside Warwickshire they are recommended to make an initial application to determine whether any Warwickshire County Council transport is available.

10.3 Direct Travel Payments

Direct travel payments are only offered to Warwickshire residents when there is no suitable Warwickshire County Council or commercial transport available between home and school/college. If this is the case you will receive a letter advising you of this.

To qualify, students should be:

- (a) Studying at the nearest suitable school, college or local authority funded training provider offering the qualification of choice* for the young person;
- (b) Studying a full time course (at least 540 guided learning hours per year).
- (c) Travelling more than 2 miles to the nearest pick up point

*When considering whether a qualification is “the qualification of choice for the young person”, we take into account the end qualification awarded (not the individual units taken, or the name of the course), the training provider having a place available to offer on that course, and that the students meet the entry requirements demanded by the training provider;

Parents / students may use their own vehicle or public transport to get to school/college. Applicants entitled to a direct travel payment will be sent three claims forms (one for each term) to claim back £110 per year (or £220 if in receipt of a qualifying benefit*). Students who receive a direct travel payment can then also apply to travel on a Warwickshire County Council service (normal terms and conditions then apply).

Those in receipt of direct travel payments under the 16-19 scheme will have to show receipts which illustrate that at least the amount being claimed back has been spent by the family on transporting the student to

and from college before payments will be made. Additional evidence may be demanded by the County Council.

*A qualifying benefit can be one of the following; Income Support, Income Based Job Seekers Allowance (or equal based Income based & Contribution based JSA), The Guarantee Element of State Pension Credit, Income related Employment & Support Allowance (or equal based Income based & Contribution based ESA), The Maximum Level of Working Tax Credit, Child Tax Credit (with an income not exceeding £16,190), Support under Part VI of the Immigration and Asylum Act 1999 or Universal Credit.

10.4 Transport Arrangements

Students will normally be provided with a bus pass. This is valid for one return journey per day, at the times shown on the timetable included with the pass.

Rail Passes can only be issued in certain areas, please contact the Transport Operations team for further details. (See section 12).

10.5 How to Apply

Parents / Carers should complete the relevant application form, and return it to the Education Transport department. Address details can be found in section 12, and on the application form. The application form can be found online <http://www.warwickshire.gov.uk/transporthelp16-19> or by contacting the Education Transport department directly (see section 12).

Full details of the terms and conditions of Transport Assistance for Students Aged 16-19 are included as an appendix to the application form, including details of the parental contribution for the current academic year.

Warwickshire's Cabinet agreed in October 2015 that the charges associated with Post 16 transport will increase each year based on the Council's annual income inflation rate.

10.6 Refunds

Where a parental contribution is received and a student either leaves their course or no longer requires transport assistance, a refund may be issued once the pass has been returned, strictly at the County Council's discretion. Any refund will be made on a pro-rata basis and no refunds will be available if the pass is not returned.

10.7 Replacement Passes

If a pass is lost or stolen a charge will be made for a replacement. Any costs incurred whilst waiting for a replacement pass will not be reimbursed. (See 6.2)

11 TRANSPORT FOR STUDENTS AGED 16-25 WITH A STATEMENT OF SPECIAL EDUCATIONAL NEEDS, EHCP, LEARNING DIFFICULTIES AND / OR DISABILITIES

11.1 Contributory Transport

Support with transport may be considered for students who meet the following criteria:

- resident in Warwickshire on the 1st September prior to the beginning of the course;
- agrees (or family agree) to pay a flat rate charge as a contribution towards the cost of transport;
- has a current statement/EHCP or has provided proof of learning difficulties and/or disabilities;
- is aged over compulsory school age and under 25 years on the 31st August before the course starts;
- is attending a full-time course (including at least 540 guided learning hours per year);
- is attending the nearest qualifying special school*, sixth form or the nearest college offering the qualification of choice for the young person. When considering whether a qualification is “the qualification of choice for the young person”, we take into account the end qualification awarded (not the individual units taken, or the name of the course), the training provider having a place available to offer on that course, and that the students meet the entry requirements demanded by the training provider; and
- has a journey from home to school or college which is more than three miles measured by the shortest available walking route to the place of study or, following consideration of the student’s special educational needs and/or disabilities, the County Council has concluded that they would be unable to get to the establishment unless transport assistance was provided.

*(A student’s nearest qualifying school is the nearest establishment that can provide education appropriate to their age, ability, and aptitude, whilst taking into account any special educational needs that they have. The nearest qualifying school will be calculated with reference to section 2.3 of this policy)

Please note the following:

Students will only receive assistance up until the end of the academic year in which their 25th birthday falls.

Warwickshire County Council encourages young people to travel independently. Direct travel payments are available when no existing local authority transport is operating, for more information please contact us using the details found in section 12 of this document.

Transport is procured for the start/end of the school/college day although reasonable adjustments will be made to provide transport which

accommodates student's individual timetables. However, when considered necessary and reasonable, students may be required to wait at school/college at the beginning or end of the day.

Warwickshire County Council will seek advice from relevant professionals if there is any dispute over the nature of transport requested / required.

11.2 How to Apply

Parents / Carers should complete the relevant application form, and return it to the Education Transport Office. Address details can be found in section 12, and on the application form. The application form can be found online <http://www.warwickshire.gov.uk/travelhelpover16> or by contacting the Education Transport department directly.

Full details of the terms and conditions of Transport Assistance for Students Aged 16-25 are included on the application form, including details of the parental contribution for the current academic year.

Warwickshire's Cabinet agreed in October 2015 that the charges associated with Post 16 transport will increase each year based on the Council's annual income inflation rate

12 CONTACT DETAILS

12.1 Education Transport (For all questions about eligibility, policy, refunds, replacement passes and the application process).

Post: Education Transport
Communities Group
Saltisford Office Park
Ansell Way
Warwick, CV34 4UL

Telephone: 01926 412929 (Option 1, Option 1)
(Mon – Thu 8.30 – 5.00, Fri 8.30 – 4.30).

Email: educationtransport@warwickshire.gov.uk

12.2 Transport Operations (For all questions about routes, timetables and any service queries).

Post: Transport Operations
Communities Group
PO Box 43
Shire Hall
Warwick, CV34 4SX

Telephone: 01926 412929 (Option 1, Option 2)
(Mon – Thu 8.30 – 5.30, Fri 8.30 – 5.00).

Email: busservices@warwickshire.gov.uk

12.3 **SENDAR** (For questions about transport for children with Statements of Special Educational Needs or EHC Plans attending schools).

Post: SENDAR
Communities Group
Saltisford Office Park
Ansell Way
Warwick, CV34 4UL

Telephone: 01926 742160
(Mon – Thu 9.00 – 5.00, Fri 9.00 – 4.30).

Email: Sendtravelapplications@warwickshire.gov.uk

12.4 **School Admissions** (For all questions about admission to primary school, secondary school and questions on priority areas).

Post: School Admissions
Communities Group
Saltisford Office Park
Ansell Way
Warwick, CV34 4UL

Telephone: 01926 414143
(Mon – Thu 8.30 – 5.00, Fri 8.30 – 4.30).

Email: admissions@warwickshire.gov.uk

12.5 **SENDIAS** (SEND Information, Advice & Support Service)

Post: SENDIAS
Canterbury House
Exhall Grange Campus
Easter Way
Ash Green
Coventry
CV7 9HP

Telephone: 02476 366054
(Mon - Fri 9.15 - 2.30)

Email: dawn.rowley@family-action.org.uk

Appendix A

Walking Route Assessment Process

Please note that the current process of assessment is under review and is subject to change.

Background

Where a child lives within the “statutory walking distance” of their nearest qualifying school, transport assistance will be provided if the Local Authority considers the route to school is such that a child accompanied by an adult could not walk it in reasonable safety.

The measurement of the “statutory walking distance” is not necessarily the shortest distance by road. It is measured by the shortest route along which a child, accompanied as necessary, may walk with reasonable safety. As such, the route measured may include footpaths, bridleways and other pathways, as well as recognised roads.

National guidance on the identification of hazards and the assessment of risk of walked routes to school published by Road Safety Great Britain (RSGB) recommends that a route be designated “**unacceptable**” if a child, accompanied as necessary, cannot walk the route in reasonable safety. Whether this is the case in any particular circumstances will be determined by a detailed assessment carried out by Warwickshire County Council staff or their representatives in accordance with national guidance and this policy.

Where parents believe the walk from home to school is unacceptable they can request that the route is assessed. This request should be made by using the form which can be obtained directly from the Education Transport department.

The Local Authority will also periodically review routes currently considered unacceptable ensuring they are assessed against the relevant process.

Principles of Assessment

1. Consideration is given only to relevant highway and traffic conditions and not for personal safety, security or behavioural reasons (which are the responsibility of the parent/carer).
2. It is assumed that children will be accompanied as necessary by a responsible parent or other responsible person appointed by a person with parental responsibility
3. Each route will be considered objectively and on its own merits.
4. The route will be assessed in both directions in the morning and afternoon school run times, and sections considered unacceptable by parents will be walked in both directions. .
5. Where a footway or roadside strip of reasonable width and condition exists or a suitable/adequate public footpath or bridleway is available, this will be considered an acceptable route for that part of the journey.

6. Where a suitable verge exists on a lightly or very lightly trafficked road, which can be stepped onto by the child and accompanying person when vehicles are passing, it will be considered an acceptable route for that part of the journey.
7. Many routes lie along roads having neither footway nor verge. On such roads consideration should be given to the width of the carriageway, traffic speed and composition (such as frequent HGV's) and to visibility (ie. sharp bends with high hedgerows or banks or other obstructions to visibility).
8. Consideration should be given to the relevant injury collision record of the route for the latest 3 year period.
9. Where road crossings are necessary, the availability of facilities to assist such crossings should be taken into consideration. Where no crossing facilities exist an assessment of the risks which may be generated by crossing the road (bearing in mind traffic speeds and flows, sight lines etc) will be made using current guidance laid down in the approved published Road Safety GB Guidelines. Any updated or superseding publication will be considered and adopted where appropriate.
10. It will be assumed that any crossing facilities (zebra, toucan, pelican crossing or other) will be used where they are provided. If such facilities are not provided and the pedestrian is required to cross the road, the "gap time" of passing vehicles will be assessed to determine a safe crossing point.
11. An accurate plan showing the length of the route will be attached to the assessment and retained on file. Acceptable lengths and crossing points will be marked in green and unacceptable lengths and crossing points marked in red.
12. In reaching a decision the officers concerned will make a critical judgement based on whether the route affords sufficient opportunity for pedestrians and vehicle drivers to avoid dangerous conflict while progressing normally along it.
13. The assessment will be carried out by appropriately trained staff either employed by Warwickshire County Council or commissioned to carry out the assessment.
14. Once the assessment is complete a panel of officers will meet to consider the recommendation. The panel will consist of a Head of Service from Communities Group and two other officers. A majority decision is required. A representative from the Traffic and Road Safety Group will attend to provide advice and support to the panel.
15. If the route is considered acceptable then staff within Education Transport will notify the parent / carer.
16. If the route is considered unacceptable then staff within Education Transport will notify the parent / carer and Transport Operations.
17. There is no right of appeal.
18. Routes will only be reassessed upon request if three years have passed since a previous assessment, or if evidence is presented to suggest a significant change in the safety of the route. The nature of the reassessment will depend on whether or not there have been any significant changes to the route or developments in the vicinity.

Route Assessment Summary

For a route to be classified as “acceptable” there needs to be both:

- A continuous adequate footway on roads which have high or medium traffic flow;

or

- Step-offs on roads which have a light volume of traffic but have adequate sight lines to provide sufficient advance warning;

or

- on roads with a very light traffic flow, no step-offs but sufficiently good sight lines to provide adequate advance warning.

AND

- if there is a need to cross roads there must be sufficient gaps in the traffic flow and sight lines to allow enough opportunities to cross safely, or one or more of the following must be provided:
 - Crossing facilities (zebra, pelican or puffin crossings)
 - Pedestrian phases at traffic signals (including necessary refuges)
 - School Crossing Patrols
 - Traffic calming (sufficient to enable safe road crossing)
 - Pedestrian refuges

Frequently Asked Questions

National guidance - what is it?

National guidance is provided by RSGB* for those tasked with assessing the safety of 'walked routes to and from schools' to determine the provision of free school transport for persons under the Education Act 1996 (as amended).

*RSGB (Road Safety Great Britain) - A national road safety organisation that represents local government road safety teams across the UK

Guidelines - What are the scope of the guidelines?

The scope of the guidelines is limited to the risks resulting from the interaction between pedestrians and traffic and does not consider personal security.

Child accompaniment - Does the assessment assume a child is accompanied as necessary?

Yes, and case law makes clear that the decision as to whether an individual child needs to be accompanied, as well as provision of a person to do so, is the responsibility of the child's parents. It also considers that the child and parent will be wearing fluorescent and reflective jackets, particularly on roads with no street lighting, and will be carrying torches.

Street lighting - Does the assessment consider the absence of street lighting?

The presence or absence of street lighting on a route is not considered to be a factor, and torches are expected to be taken if considered by the child's parents to be necessary.

Footway - If part or the entire route has no footway, how is this assessed?

If there is no provision of a footway then an assessment is first made of the traffic flow. A road with heavy or medium traffic flow must have continuous adequate footway provision. Roads with light traffic flow must have adequate step-offs with good sightlines. Roads with very light traffic flow do not require step-offs, but should have sufficiently good sightlines.

Step-offs - What are they?

The term step-off refers to the facility for pedestrians to easily be able to step off the roadway onto reasonably even and firm surface.

Traffic flow - What constitutes a high traffic flow?

Roads that have a traffic flow in excess of 840 vehicles in a one hour period.

Traffic flow - What constitutes a medium traffic flow?

Roads that have a traffic flow of 400 to 840 vehicles in a one hour period.

Traffic flow - What constitutes a light traffic flow?

Roads that have a traffic flow between 100 and 400 vehicles in a one hour period.

Traffic flow – What constitutes a very light traffic flow?

Roads that have a traffic flow below 100 vehicles in a one hour period.

Crossing the road - Does the assessment consider difficulty in crossing roads?

Yes, the difficulty in crossing the road is assessed by applying a gap analysis.

Gap analysis - What is it?

A gap analysis records the number of gaps in traffic flow in a 5 minute period, which is greater than the road crossing time. Four such gaps in a 5 minute period are considered acceptable. Where there is a formal way of crossing the road (zebra, pelican or puffin crossing) this will negate the need for a gap analysis.

How is the road crossing time calculated?

This is calculated using a crossing speed of three feet per second.

Collision history - Does the assessment consider this for the route?

Yes, a three year collision history is provided for the complete route and forms part of the overall assessment.

Vehicle speed - Does the assessment consider this?

If the initial assessment of the route and collision history indicates there is a possible speeding issue and assuming there is sufficient vehicle flow in order to assess traffic speeds, then a traffic speed survey will be undertaken.

School run times – When are they?

For the purposes of this document school run times are considered to be 08.00 to 09.00 and 15.00 to 16.30.

Appendix B

Accompaniment

Below is set out advice about the accompaniment of a child/young person from paragraphs 17-19 of the DfE Home to School Travel and Transport Guidance, July 2014.

17. In determining whether a child cannot reasonably be expected to walk for the purposes of 'special educational needs, a disability or mobility problems eligibility' or 'unsafe route eligibility', the LA will need to consider whether the child could reasonably be expected to walk if accompanied and, if so, whether the child's parent can reasonably be expected to accompany the child. When considering whether a child's parent can reasonably be expected to accompany the child on the journey to school a range of factors may need to be taken into account, such as the age of the child and whether one would ordinarily expect a child of that age to be accompanied.

18. The general expectation is that a child will be accompanied by a parent where necessary, unless there is a good reason why it is not reasonable to expect the parent to do so.

19. LAs should, however, promote and ensure equality of opportunity for disabled parents. For example, if a parent's disability prevents them from accompanying their child along a walking route which would otherwise be considered unsafe without adult supervision, a reasonable adjustment might be to provide free home to school transport for the child in question.

Appendix C

Special Educational Needs Provision

Generic Special Schools

The following schools cater for a range of special educational needs but all have consistent focus on pupils who are significantly below expected levels in cognition and learning and whose progress is significantly delayed compared to others with the same starting point.

Name	Address	Area of County
Brooke School	Overslade Lane, Rugby CV22 6DY	Eastern
Welcombe Hills School	Blue Cap Road, Stratford Upon Avon CV37 6TQ	Southern
Ridgeway School	Deansway, Warwick CV34 5DF	Central
Round Oak School	Brittain Lane, Warwick CV34 6DX	Central
Oak Wood Primary	Morris Drive, Nuneaton CV11 4QH	Nuneaton/Bedworth
Oak Wood Secondary	Morris Drive, Nuneaton CV11 4QH	Nuneaton/Bedworth
Woodlands School	Packington Lane, Coleshill B46 3JE	Northern

Specialist Special Schools

The following schools cater for children and young people who are able to access the mainstream curriculum with the appropriate specialist support.

Name	Address
Exhall Grange Specialist School & Science College	Easter Way, Ash Green, Coventry CV7 9HP
Discovery Academy	MacIntyre Academies, Vernons Lane, Beaumont Road, Nuneaton CV11 5SS

Satellite Provision

These bases are operated by Special Schools off-site and provide for a range of different needs.

Name	Address
Rokeby Brooke Partnership & Harris Brooke Partnership	Brooke School, Overslade Lane, Rugby CV22 6DY
Exhall Grange Learning Pod	Exhall Grange Specialist School & Science College, Easter Way, Ash Green, Coventry CV7 9HP

Resourced Provision within Mainstream Schools

These specialist bases are integrated within mainstream schools and provide for a range of communication and interaction needs.

Name	Address
Maple Class – Lillington Primary School	Cubbington Road, Leamington Spa CV32 7AG
Peter's Place – Trinity Catholic School	Guy's Cliffe Avenue, Leamington Spa CV32 6NB
Evergreen – Water Orton Primary School	Attleborough Lane, Water Orton, Coleshill, Birmingham B46 1SB
