

Breakdown of 2018 Secondary Non-Selective Places in Warwickshire

A school might receive more applications than the number of places available (the Published Admission Number or PAN). If this happens for Community, Voluntary Controlled schools or Academies (where the school has adopted the Local Authority admissions arrangements) places will be allocated using the Local Authority's oversubscription criteria. If a Voluntary Aided or Foundation school receives more applications than it has places available, the governing body for the school will allocate places according to that school's published admission criteria.

Only **on time** applications received have been processed for places offered on 1 March 2018. Late applications and subsequent changes to applications will be processed through the reallocation rounds which begin on 19 March 2018.

Warwickshire Local Authority oversubscription criteria

The following criteria were used where schools had received more applications than places available after children with Statements of Special Educational Needs (SEN) or EHC plans had been admitted first.

1. Children in the care of, or provided with accommodation by, a local authority and Children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). 2005 act
2. Children living inside the priority who will have a brother or sister at the school at the time of admission.
3. Other pupils living inside the priority area.
4. Children living outside the priority area who will have a brother or sister at the school at the time of admission.
5. Other children living outside the priority area.

Within these criteria priority is given in order of straight line distance between the home address and school. The shortest distance has the highest priority. For more information on how distances are measured, please see www.warwickshire.gov.uk/admissions

If you live within Warwickshire Local Authority and we are unable to meet any of your preferences, we will allocate a place at the next nearest community, voluntary controlled school or Academy with vacancies available. This will be indicated on the breakdown as '**unplaced**' offers.

The following page shows all non-selective secondary schools in Warwickshire, the number of places available at each school, number of offers made and the last place offered to an on time applicant.

If you have named a school outside of Warwickshire, you will need to contact the relevant Local Authority, to discuss your application.

If your child has sat the 11+ test with Warwickshire or requested to share the results with The Grammar Schools of Birmingham, a letter outlining the results and information on Grammar School places including qualifying and waiting list scores will be sent out. Information on Warwickshire Grammar Schools waiting lists will be available from 12 March 2018.

*Below: 'WCC' = School adopts oversubscription criteria as laid out by Warwickshire County Council
'OAA' = School has adopted their own oversubscription criteria for the 2018 entry year*
