Turnip Treat Box

Decorate the turnip shapes then cut out along the solid lines. Fold along the dotted lines then glue the tabs and stick the sides to the turnip shapes.

Halloween Joke Fortune Teller

Colour in the fortune teller and cut it out. Start with the coloured side facing down onto the table. Fold the sheet in half and unfold. Do this again so that the folds make a cross. Fold each of the four corners into the centre of the sheet. Keeping the folds together, turn the sheet over. Again, fold each of the four corners into the centre of the sheet. Fold the bottom half of the paper in half and then unfold. Fold the left side of the paper to the right and unfold. Pick the sheet up and put a finger under each of the flaps on the underside. Push your fingers together to make the fortune teller shape.

Find Your Future Trail

This trail asks you to find five objects around the museum by solving the riddles. There is an anagram and dot-to-dot outline for each object to help you. The first letter of each object name fits into the secret message on the second page and completes the sentence. All the objects in the trail are also hidden in the two Victorian Halloween scenes.

Victorian Halloween Scenes

These are pictures showing what Halloween might have looked like in a rich and a poor Victorian household. You can colour the pictures in and take them home with you if you wish. There are objects from the trail in the scenes.

Word Search

You are welcome to do the Halloween word search at the museum, or you can take it home with you to do.
