SUMMER VISIT BOOKING FORM 2020**

VISIT TO LIGHTHORNE VILLAGE

Thursday 18 June, 2pm

This is our main fund-raising event of the year so why not join us for a visit to the delightful village of Lighthorne?

Starting at the Village Hall the visit will be led by two local historians. Colin Such will talk about the village then after a short walk to the church Maggie Atkins will talk about the iconography of the stained glass found within it. The afternoon will conclude by returning to the Village Hall for Afternoon Tea, comprising delicious sandwiches and mountains of cake.

For those who prefer not to walk there will be cars available to drive between the Village Hall and the Church.

There is plenty of parking at the Village Hall.

A map can be found on the reverse of this form, please retain it when booking your place.
